Sir:

This is in response to the Office Action of September 16, 2004, in the above-captioned application. Applicant sincerely appreciates the Examiner's thoughtful attention to this application. The amendments and arguments set forth below are the basis for Applicant's respectful request for reconsideration.

The non-elected claims are cancelled below, without prejudice to the assertion of these claims in appropriate continuing or divisional applications.

In the "Election of Species" paper filed on July 2, 2004, Applicant's attorney mistakenly listed Claim 3 as readable on the elected species. Claim 3 is cancelled by this amendment,

without prejudice.. The error is regretted. This leaves only Claim 1 and Claim 4 readable on the elected species.
